- \* Japan Travel SIM is a data communication service for foreign travelers and temporary returnees to Japan.  
It cannot be paired with a Voice Call Function or SMS Function.
- \* Note that 3G service will no longer be provided after March 31, 2026.

For detailed information on Japan Travel SIM, please go [here](#).

## **Stores where available**

Nationwide FamilyMart locations containing a Multifunction Copiers

## **Start of sales**

Tuesday, November 25, 2025

## **Flow to start of service**

1. On the Multifunction Copiers, select the desired Japan Travel SIM/Digital (eSIM) plan.
2. Take the payment slip output by the terminal to the point of sale and pay for the service.
3. The shop clerk will issue a slip indicating the entry code.
4. Use the entry code to register on the dedicated website, then download and install the eSIM profile.
  - \* An email address and Wi-Fi or other Internet access are necessary for registering on the website and downloading the eSIM profile.
  - \* A SIM-free mobile device with eSIM support is necessary. Setup on the mobile device, including entry of the APN (access point name), must be performed separately.
